Bridesmaids (We Are Family)

Diane is Emily's favorite Anderson Cousin! Diane is a talented Music Therapist currently living in Grand Rapids Michigan.

**Please welcome
Diane Meyer**

Groomsmen (I Wanna Be A Cowboy)

Keith was a fellow instructor in the Air Force with Donny. Later tonight you'll have to ask him how he got his nickname! The guys give him a hard time due to his favorite sport teams. He is a Cowboys fan -most importantly, a Michigan fan, a Mets fan and the list goes on and on. One thing for sure, he knows his sports and is a great friend!

**Let's hear it for
Keith "Tippy" Branscome**

Bridesmaids (Mr. Rogers Neighborhood)

Jill is a fellow RN at The Mayo Clinic, the happy couple's next-door neighbor, Emily's grad school buddy and Ellie Mae's favorite Auntie Jill! Jill and Emily have been friends since meeting on Francis 4C at St. Mary's Hospital 5 years ago. Emily is very excited for Jill to be starting in her ICU this spring and can't wait to work side by side again!

**Please give a warm welcome for
Jill Olmschied**

Groomsmen (US Air Force Song)

Haven was also a fellow instructor in the Air Force. Haven and his wife Nicole, are Ellie's favorite parents in Texas! They would generously watch Ellie every time Donny traveled to MN to visit Emily. Donny has determined that all the fish in Lake Texoma are scared of Haven. He is 0 for 2 in catching fish during their recent trips! Unfortunately, Donny's record isn't much better!

**Please help me welcome
Haven Wynne**

Bridesmaids (Dancing Queen)

Shelley and Emily survived their very first nursing clinical together at Purdue and have been friends ever since! Shelley shares the love for the Boilermakers and cheered along side Emily at many football games! Shelley also loves to dance and is well known for getting Emily out on the dance floor! Just wait and see!

**Give a huge boilermaker welcome for
Shelley Ricker**

Groomsmen (Should've Been A Cowboy)

Jeremy and his family have been good friends of Donny's every since they found out he was a Cowboys fan back in the sixth grade. Jeremy is famous for his impersonations -just ask him to do one of Arnold Schwarzenegger. Jeremy and Donny also played high school sports together. They have been known to pretend being Michael Irvin and Emmitt Smith, a couple of their favorite Cowboy players. Who hasn't right???

Jeremy Ivan

Bridesmaids (Help)

Laura is basically the only reason Emily ever attended or graduated from Preschool! Inseparable from the start, Laura and Emily have been the best of girlfriends. They have seen each other through life, boys, jobs and wedding planning! If it weren't for Laura's visit to Rochester, soon after Emily and Donny's engagement, Emily still wouldn't have any wedding details finalized!!!

Laura Haake

Groomsmen (U Can't Touch This)

Lourn, AKA Lo, was also a fellow instructor in the Air Force. Lo is a walking sports almanac. It's fun, but impossible to stump him with sports trivia. Lo has also managed the fantasy football leagues the last two years; somehow he has also won both years! Donny and the rest of the guys still want to know how he and his wife Christie ended up in the super bowl last year!?!

Lourn Evans

Claire was the only choice to be Emily's Matron of Honor. She has been by Emily's side her entire life, an awesome role model and best friend. Not to mention one heck of a good quilter! The sisters have definitely come a long way since playing "Doctors office" when they were little with their Cabbage Patch dolls. One thing that hasn't changed is that Emily will always need her big sister!

Matron of Honor (My Sister)
Sister of the Bride Claire Anderson

Jared and Donny's families have been friends since the boys were in fourth grade. They were roommates in college for a semester before Donny joined the Air Force. Jared is well known for always welcoming a challenge. Dare him to do something and see what Donny means! Jared & Donny have stuck together through the years despite numerous moves across the country. Jared has always been there for Donny and epitomizes a best friend. Donald just hopes he doesn't embarrass him too bad with his toast.
